## **BEL Club app and Recreational Form**

***Fill out these forms First- \$5 year***

***Welcome to BEL Boxing Club!***

Thank you for joining our club and signing a BEL Boxing Club waiver. In order for you to work out here at our facilities, and be covered by Boxing Ontario's blanket insurance policy, (which can be viewed at [www.allsportinsurance.com](http://www.allsportinsurance.com).) you need to register with Boxing Ontario also. Boxing Ontario is our governing body in amateur boxing. You can also view their website at [www.boxingontario.com](http://www.boxingontario.com). Costs to join them is from \$5 per year for a non sparring recreational membership to \$50 per year for a full sparring and competition membership. View the website to get the correct price, based on your age. For a non sparring membership (recreational) no medical is needed, only a recreational application to Boxing Ontario. For a full sparring (competition) membership, a medical and an application to Boxing Ontario is required.

Thank—you.
